Experience

ThoughtSketch — Flutter Developer

Pune, India (Remote) | 01/2025 – 11/2025

- Developed a complete Forgot Password and Reset Password flow, including UI, validation, API integration, and success screens.
- Built nested navigation using GoRouter with dynamic state highlighting and bottom navigation structure.
- Created reusable UI components aligned with a Figma-based design system for consistency across the app.
- Implemented Riverpod for scalable state management, async operations, and form logic.
- Integrated backend architecture using AWS Lambda, Prisma, Node.js, Terraform, and Serverless Framework.
- Implemented backend modules including location autocomplete and business details update API with JWT authentication.

- Integrated Google Places API via backend for real-time suggestions and detailed location retrieval.
- Wrote unit tests using Mockito and followed a clean Arrange-Act-Assert pattern.
- Enhanced CI/CD pipeline with Firebase App Distribution for streamlined release management.

Procreate.media — Freelancer

Pune | 03/2023 – Present

- Delivered custom digital and application solutions aligned with unique client requirements, resulting in repeat business.
- Managed multiple freelance projects concurrently while ensuring high-quality output and timely delivery.

SDC Classes — Manager

Pune | 05/2021 – 07/2023

- Supervised and motivated staff to maintain productivity and engagement.
- Resolved employee concerns through active listening and effective conflict management.
- Scheduled and coordinated 20+ daily classes, including overlapping sessions.
- Organized 10+ events to enhance student and teacher engagement beyond academics.

Education

PES Modern College of Engineering, Pune

BE (Artificial Intelligence & Data Science) (*Dropped Out*)
